

## How We Exercise Faith

Everything that we need for an Abundant Life has already been given to us by God. They are located inside His **Kingdom**. We do not have to live a life of lack, sickness, disease or Family troubles. God has three things that eliminate these: (1) His Kingdom (2) His Power and (3) His glory. (*St. Matthew 6:13*) Here is how they work: God gives us exceeding great and precious Promises in Christ. (*II Peter 1:4*) Every one is a **Kingdom Seed**. *St. Matthew 13:31* specifically states, “The kingdom of heaven is like a grain of mustard seed which a man took and sowed in his field.” You must visualize God’s Promises as “spiritual seeds.” Also, you must visualize yourself as a farmer or gardener and, most importantly, visualize the required work with His Promises as cultivating His seeds.

### Kingdom Law

Like seeds, God’s Promises have an ordained “process” to manifestation. This process operates by a “Spiritual **Law**.” That Law is called *Seedtime—Growth—Harvest*. (*Genesis 8:22*) God gives us His Promises in the form of “word seeds.” Those words are His “Thoughts.” They must be planted inside our hearts and grow. When they are grown, they produce the manifestation of what He said.

Visualize your **heart** as the **ground**. Since we think inside our heart, it is **thinking ground**. He gives us His word to *think*. We must hear and “accept” God’s Promise Thoughts into our heart. Do not reject them. This is called sowing. Note that His Thoughts have **dominion**, or rule, over all negative thoughts and the negative things in life that produce such thoughts.

### Cultivation

We know that corn is already inside corn seeds. Likewise, God’s Power is already inside His words of Promise. They are living words and will grow inside our heart. The Power in them makes us “think.” We think, and declare that victorious change is on the way, regardless of how difficult our present situation may be. You must think **change**!

Like a farmer, you must cultivate God’s Seed Thoughts. When you receive them, you must begin *thinking* only them. You must shift your Mind from the “thought” of your present situation to His words to facilitate grow. Remember, the man sowed the seed into his ground. The mystery is that you must never quit thinking, nor **waver** in thinking God’s Thoughts, especially in the face of challenges.

Once inside your heart, you must learn to say, “I have it,” “I am healed,” etc. before seeing the manifestation. Because when we have the Thought, we have the *thing*. When you experience the change, you see the **harvest** or God’s **glory**.
