

We Speak God's Word and Experience Results

Our Faith comes from God by hearing His words. *Romans 10:17* declares, "So then faith cometh by hearing, and hearing by the word of God." When we hear His words, they go into our spirit and we accept them. To accept means to agree in our heart that they are true. They become part of our thinking system. Then we speak them. *II Corinthians 4:13* declares, "We having the same spirit of faith, according as it is written, I believed, and therefore have I spoken; we also believe, and therefore speak." When we speak God's word, we believe that His Power inside them is going to work and deliver us from whatever bondage that may dominate us. We believe that something is going to happen to bless our lives. We proceed to disagree with our present situation and focus only upon God's words and speak them. Remember, the word has already been spoken by God who created all things. Supernatural Power already exists inside His words to heal the body of any type of disease (diabetes, heart disease, cancer, etc.) and deliver it from afflictions such as strokes and other physical injuries.

Here is the mystery of the working of God's Power in His word. Satan attacks our body with lying manifestations. Jesus Christ took stripes on His back paying the price for our sicknesses and diseases. Therefore, no sickness or disease has a legal right to dominate our body. When Satan attacks, we must respond correctly by Faith. This means that we are to speak to the manifestation, declaring God's dominion truths. The lying manifestation will be destroyed by releasing the Power in His word through our speech. *St. Mark 11:22-23* And Jesus answering saith unto them, Haven faith in God. For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shalt not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith."

Know that God's words become our Faith. God literally gives us Faith through His words. They are destined to work and manifest His glory, or what He intended them to do. Since God's word is our Faith, we must have His living words living inside us causing us to think them.

Proverbs 4:20-22 declare, "My son, attend to my words; incline thine ear unto my sayings. Let them not depart from thine eyes; keep them in the midst of thine heart. For they are life unto those that find them, and health to all their flesh" The words coming from God, then, is God. It is God working inside us. God, who created our body, will not allow anything less than Him to dominate us. Therefore, we are certain to be delivered and healed. God Bless.
