

## God's Words Make Things Happen for Us

God sent His word to earth to accomplish in it what pleases Him. Everything was created by His word. The oceans, mountains, seas, animals, plants etc. were all created with God words. *Hebrews 11:3* declares, "Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made by things which do appear." The blessing is that God has designed words to accomplish what we need to enjoy an abundant life on earth.

God has already spoken Blessed words and sent them by the Holy Spirit to bless our lives. The Holy Spirit is the Spirit of truth. His major Ministry inside our heart is to teach us blessed truths. *St. John 14:26* declares, "But the Comforter, which is the Holy Ghost, whom the Father will send in my name, he shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you." The Holy Spirit teaches; we must learn. As we learn, we are empowered by God to receive manifestations of His blessings. The words that the Holy Spirit teaches us contain God's Supernatural Power. The specific thing about His word is that it will accomplish what pleases Him. *Isaiah 55:10-11* declare, "For as the rain cometh down and the snow from heaven, and returneth not thither, but watereth the earth, and maketh it bring forth and bud, that it may give seed to the sower, and bread to the eater: So shall my word be that goeth forth out of my mouth; it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it."

First, the rain comes down from Heaven because God sends it down. He created the earth and knows exactly what it needs to cause good things to happen in it. With this understanding, God designed the rain with power specifically to "make" things happen. Seed is planted inside the earth. However, if there is no water inside the earth, no seed germination and growth will take place. The water makes the seed germinate and grow by the power that it contains. When the water gets inside the earth, its power is released and it causes things to happen. The power is released when the rains gets inside the earth. The earth does not make the power release. It does so automatically. Likewise, the words spoken by God and sent to us have a specific purpose. They are released from God's mouth to accomplish what pleases Him. He sent His word to heal and deliver us and bless our lives. *Psalms 107:20* declares, "He sent his word, and healed them, and delivered them from their destructions."

We cannot enjoy the abundant life bound with sickness, diseases and all types of afflictions in our bodies. His word will not return to Him void, but it shall accomplish what pleases Him. He sent it to heal and deliver us from our destructions. The Power inside His word is released and works, performing what He designed it to do. When it works inside us, healing and deliverance are assured. God Bless.
