

OUR SPIRITUAL "WALK" IN CHRIST DETERMINES OUR BLESSINGS

We are "born again" by the Holy Spirit into Christ. (*II Corinthians 5:17*) After Jesus was raised from the dead, He ascended back to Heaven and was crowned **Lord** and **Christ**. (*Acts 2:36*) He governs all things in the Holy Spirit in whom we live, move and have our being. (*Acts 17:28*) There is only an Abundant Life of blessings existing inside the Holy Spirit; no sickness or disease or poverty there. The Lord has ordained a Spiritual walk to move and receive these spiritual blessings called► **Faith** We live by Faith; (*Romans 1:17*) we daily walk by Faith (*II Corinthians 5:7*) and we daily do Faith works. (*James 2:17*) The world of the Spirit is governed by the **Lord**. All of our blessings come from Him. (*Proverbs 10:22*) Our daily walk determines the level of our **blessings**. We must walk in Christ "demonstrating" four things that we do to the Lord.

1. Love

The Lord
(*St. John 14:21*)

2. Fear

The Lord
(*Proverbs 3:7-8*)

3. Pleasure

The Lord
(*I Thessalonians 4:1*)

4. Trust in

The Lord
(*Proverbs 3:5*)

Blessings "Manifest" as we daily "Walk"

God has already blessed us with everything needed to live a healthy, Abundant Life. Blessings are already there! (*Ephesians 1:3*) We walk into these blessings. Our walk then determines the level of our blessings. As we walk, they "manifest." The Lord has placed Supernatural Power in daily Thoughts and Actions called.....► **Commands** (*Psalms 112:1-3*) The Power in them does three things: (1) it is released as we obey them, (2) it works Supernaturally in us and (3) it always produces "Manifestations." Attached to His Commands are rewards (through channels) for obedient action called ...► **Promises**

Perfect Example—Ten Men with the Disease of Leprosy (*St. Luke 17:11-14*)

Ten men had the incurable disease of leprosy dominating their bodies. There was absolutely no way that they could free themselves. However, Jesus had the cure for leprosy inside Him in God's **glory**. Follow how the cure was released, worked and manifested in the men.

- **A Command**—Jesus gave the ten men one specific Faith command— "go shew yourselves to the priests." Health traveled from glory to the command. God also has Health and everything else we need inside His glory, which are in His commands. (*Proverbs 3:7-8*)
- **Action Thought**—When Jesus commanded the men to go, He simply transmitted a Living, Supernatural Health Thought to them. All ten men heard and received His command. Having been transmitted to them, health was now inside the men's hearts in the form of an **Action Thought**. The men now had put the Living Thought into motion. The Thought made them move. Faith without action is dead. (*James 2:17*)
- **Acting**—God's commands require actions to produce manifestations. In obeying, the command traveled from their hearts and manifested in their bodies. God's Power was released in the command, go. As they went, God's Power was released, traveled and worked inside them and Health manifested in their bodies.
